

# The Tale of Three Lions

## H. Rider Haggard

The Tale of Three Lions

Taking place in the heart of Africa, "The Tale of Three Lions" is one more thrilling adventure from the eventful life of old hunter Quartermain, the famous hero of "King Solomons Mines". This time, though there are no bloodthirsty people for the old hunter to deal with, the dangers are no less. He has to face the mighty and fierce King of Animals – the Lion.
